

Glasses

We hold in stock, two ranges of glasses. Our standard and premium ranges give you a choice depending on your requirements.

Hire prices include the transportation and washing of glasses as well as the cost of reasonable breakages and replacements.

Our total charge for glasses during a wedding breakfast is based on five glasses per guest. One glass as your guests arrive, a red wine white wine and water glass on the table and a flute for the toast, other glasses will be available throughout the day. Later in the evening glass hire will be based on one glass per guest.

Standard Glasses

Our Savioe range consists of 24cl red wine, 19cl white wine and 17cl champagne glasses.

Premium Glasses

Our Reserva fine crystal range consists of 47cl red wine, 35cl white wine and 17cl champagne glasses.

Other Glasses

For Pimms, soft drinks, table water and evening bars we have a large stock of 8oz, 10oz and 12oz slim jims. We also have pint glasses in stock. We will endeavor to source any other glasses you require.
