

Venue: Westwood Park

A description from the Westwood Park website

Westwood Park is a stunning wedding venue set in the heart of the tranquil Essex countryside - and is exclusively yours for the day...

Surrounded by 15 acres of gardens and grounds, Westwood Park is an outstanding Grade II* listed Manor House. It offers a range of rooms which feature limed oak panelling, stained glass and leaded windows with decorative ceilings and ornate fireplaces.

In the centre of the House is a beautiful wooden balustrade staircase descending into the Main Hall. In the cooler months a welcoming log fire is lit in the elegant stone fireplace to greet you on arrival.

The magnificent building and grounds make Westwood Park the perfect place to hold your celebrations...

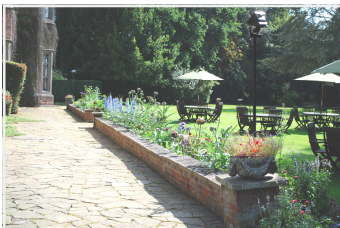

Location

Westwood Park is in the peaceful setting of an English Country Estate near the Essex-Suffolk border. It is just 15 minutes from the centre of Colchester but far enough away to enjoy the feeling of countryside seclusion.

Westwood Park is just 15 minutes from Colchester town centre and only 10 minutes from Colchester (North) Intercity Station, with regular fast trains to London Liverpool Street taking 50 minutes. Colchester railway station is just a few miles from Westwood Park, as is the A12.

Westwood Park is within easy reach of Stansted airport and Harwich, both of which are about a 30 minute drive. So however your guests are travelling they will find Westwood Park easily accessible to all major transport links.
